

Loyal Heights Homeschool Program (LHH)

Spring 2022:

Wednesdays, March 30-June 1 (9 weeks, break April 13)

Covid-19 Note: All classes subject to cancellation or change depending on the current situation for Covid-19. At this time, all students must show proof of vaccination per city and state guidelines, sign in at the front desk for contact tracing purposes, and wear masks at all times during classes. Windows will be left open for inside classes and the community center plans to have filters in classrooms.

Access to the building is reserved for people attending classes. If you need to be inside the building while your child is in class, please sign up for "Homeschool Parental Meet Up."

To view the class schedule in table format, visit www.loyalheightshomeschool.org

Registration opens at 12:00pm on (Insert day here) . Register in person (Loyal Heights Community Center), by phone (206) 684-4052, or online at <https://apm.activecommunities.com/seattle>. Use keyword "homeschool" to search.

Bollywood Dance

Instructor: Rangeela Dance Company

Ages: 8-16

Maximum class size: 10 ** No class April 13th

Join our Rangeela dance classes! Learn Bollywood basics with our fabulous kids dance instructor, Katy. We keep the class sizes small so that your child can get personalized attention. Rangeela's vision is to make dance accessible to all individuals through group and private dance classes for kids and adults, performing & visual arts for special events, and private choreography services. Our talented group of instructors and dancers have professional expertise in a variety of styles ranging from Bollywood, Bhangra, Bharatnatyam, Kathak, Kuchipudi, Kuthu Hop, Semi-Classical, Hip-Hop, Modern, Garba, and more. For more information, please visit www.loyalheightshomeschool.org

Machine Sewing: Clothing & Accessories

Instructor: Little Hands Creations

Ages 7-14

Maximum class size: 10 **No class March 30th

Students are invited to learn a skill they will use for a lifetime and a hobby they will forever enjoy... sewing! No experience necessary. New students learn machine safety and beginner sewing techniques, while more experienced students expand on skills they already have. The class begins with a simple project, then students will advance at their own pace to more exciting and challenging projects throughout the session. This class is designed to teach children with both beginning and advanced skills. Projects, which are constantly rotating during the quarter, include backpacks, phone cases, clothing, accessories, bags, games, stuffed animals and more! For more information, please visit www.loyalheightshomeschool.org

Creative Dance

Instructor: Melody Gorow

Ages: 5-7

Maximum class size: 10

This class will be a space for children to explore movement in a fun and joyful environment. They will work on developing some basic ballet skills as well as skipping, jumping, and galloping. Dancers will be able to develop familiarity with differentiating musical rhythms and tones. For more information, please visit www.loyalheightshomeschool.org

Dungeons and Dragons: Sunless Citadel

Instructor: Alan Bond

Ages: 10-16

Maximum class size:

Welcome to a fun D&D campaign filled with problem-solving and adventure! In this session, we will take two parties through the Sunless Citadel campaign published by Wizards of the Coast. It's designed to take players from 1st through to 3rd level. We welcome new and experienced players. Another party of adventurers, locally based, delved into the Sunless Citadel a month past. They were never seen again. Are you brave enough to attempt rescue? For more information, please visit www.loyalheightshomeschool.org

Ecological Cycles

Ages: 5-7

Instructor: Stephanie Burkemoore

Maximum class size: 9 **Supply fee \$15

Come learn about our local ecology - the ways living and nonliving things interact. Why does winter snow affect baby salmon? How do trees become soil? Where do all those summer insects come from, and where do they go? Students will explore how our environment stays in balance through overlapping cycles: the water cycle, examples of local life cycles, decomposition. We will use games, picture books, crafts, and active exploration. This class will be held mostly outdoors, with some indoor activities. For more information, please visit www.loyalheightshomeschool.org

Homeschool Parent Meetup

Ages: 5+

This class is for parents who need to be in the building with their kids while class is happening. Access to the community center is limited at this time to those taking classes, so this special class is just for you. Please note, at this time, all students must show proof of vaccination per city and state guidelines, sign in at the front desk for contact tracing purposes, and wear masks at all times during classes. Registration in this class is for one adult only to enable social distancing.

How to Draw People

Instructor: Ameen Dhillon

Ages: 10-16 **Supply budget: \$15/student

Maximum class size: 8

In this class students will focus on learning to draw people. We'll draw with charcoal, pencil, and also some watercolor. We'll learn about proper proportions, how to capture gestures, and drawing people in crowds. We'll also do detailed self portraits with masks to capture this moment! Let's make art together! For more information, please visit www.loyalheightshomeschool.org
